NEW!

BROOM AND MOP HOLDER

Ideal for organizing various cleaning tools, including brooms and mops, but is versatile enough to accommodate a range of maintenance equipment.

Broom and Mop Holder

- Constructed from all-welded 14-gauge steel for superior strength
- Ideal for organizing mops, brooms, and other maintenance or cleaning tools
- Ensures everything stays neatly aligned and clutter-free
- Foot pads with pre-drilled holes allow secure floor mounting
- Arrives fully assembled for immediate use
- Finished in a durable, gray, textured powder coat for long-lasting protection

Model	Overall Dim: WxDxH (In.)	Openings	Ship Wt. (Lbs.)
MT0123632-56H95	39-1/4 x 14-3/4 x 32-3/16	(8) 2" and (48) 1–11/16"	63

Perfect for: Factories, warehouses, hotels, resorts, restaurants, medical facilities, educational facilities, janitorial services, and commercial office buildings.

These locations and many others also benefit from organized storage to maintain clean, efficient environments. By ensuring easy access to cleaning tools, these holders enhance operational efficiency across various sectors.
