★★★★★ (0)

Ships within 1 Business Day

## Product Description

**Heavy Duty Die Rack Shelving**

**Designed to hold the heaviest loads.**

- Clear access on all four sides
- Excellent for storage of dies fixtures jigs or any heavy material
- Ideal for applications which require the heaviest capacities
- All shelves feature a 14 gauge 2" deep channel formed on all four sides
- Storage for extra heavy loads with maximum capacity per shelf of 3000 pounds
- Formed angle 2" x 2" uprights are constructed of 13 gauge steel punched on 1" centers for quick and easy shelf adjustment
- Tough powder coat finish for extra durability and long life
- Each shelf has an additional channel formed stiffener welded to the underside of the shelf to prevent flexing under heavy load
