Product Description

Global Industrial™ Locker Slope Top Kit, 15"W x 18"D, Gray ✓ Prevents dust buildup & items being left on top of lockers
✓ Creates a clean, cohesive appearance
✓ Durable steel construction with a gray powder coat finish

The 15"W x 18"D Global Industrial™ Slope Top Kit is your solution to creating a sloped surface that stops users from leaving items on top of lockers & prevents dust buildup. Constructed from durable steel with a gray powder coat finish, each kit includes 3 top

panels, 4 side panels, and 3 back panels to cover up to 3 lockers for a clean, cohesive appearance. It easily attaches to the tops of standard steel lockers with the included hardware and is ideal for use in schools, locker rooms, and more. Limited 1-Year Warranty.

- Each kit can cover up to 3 lockers
- Compatible with Global Industrial™ Gray Steel Lockers
- Cannot be used with 16-person lockers
