These six tier lockers feature a padlockable friction latch and hasp closure. Louvers promote ventilation. Legs add 6" to height. Durable, attractive powder coat finish. Lockers feature finished sides; no need for decorative end panels. Lockers must be anchored securely to floors. 1-wide and 3-wide lockers have four foot plates included. Foot plates bolt

to outside locker leg supports and maybe anchored to the floor. Anchors sold separately. **Includes blank number plates. Pull Bracket not included. Assembled lockers are not returnable.**
