Product Description

Makita® 4-1/2" Angle Grinder

- Powerful 6.0 AMP motor delivers 11,000 RPM for the most demanding applications
- Small circumference barrel grip (only 2-1/4") for added comfort
- Labyrinth construction seals and protects the motor and bearings from dust and debris
- Refined design at only 3.1 lbs for increased control
- Externally accessible brushes for greater serviceability
- Protective zig-zag varnish seals the motor from contaminants and reduces heat
- All ball bearing design and metal gear housing for added durability

- Machined bevel gears provide at least 2X longer service life than competitive models
- Ideal for welders, fabricators, masons, maintenance/repair and more

Makita® Includes:
4-1/2" Grinding Wheel (741423-B), Wheel Guard (135245-2), Lock nut (224568-4), Lock nut wrench (782424-9), Side handle (153504-2), Inner flange (224399-1)
