★★★★★ (7)

Ships Same Day

Product Description

Pilot G2™ knee boots are perfect for working in wet, muddy conditions. These general-purpose PVC boots provide easy walking and all-day protection. Ideal Applications: Construction, Agriculture, Industry, Foul Weather, General Purpose. Chemical Resistance: Certain acids and alkalies, fats, oils, hydrocarbons and other chemicals

Features:

- Black upper with black outsole

- Injection-molded construction for 100% waterproof protection
- Slip resistant per ASTM F3445, the standard specification as of July 2021
- 15" height with a cutline at 12" for fast and clean height modification
- Flexible upper stays supple in cold temperatures to make walking easier
- Tough outsole material for good abrasion resistance
- Self-cleaning cleated outsole spits out debris as you walk
- Removable contour insole wicks sweat to keep feet dry and comfortable
