★★★★★ (0)

Backordered, expected around 01/06/2027

Product Description

✓ Max storage weight of 1000 lbs. per level
✓ Durable and adaptable storage for retail industrial and commercial spaces
✓ Open shelves are adjustable at 1 ½" increments
✓ Easy assembly-no bolts, nuts, or clips required

The Global Industrial™ 3 Shelf, Standard Duty Boltless Shelving Starter with Wood Decking

is designed to maximize your storage area. Various heights, widths, and depths accommodate nearly every area of your facility. For use in retail, commercial, and industrial applications. Open design allows four side access providing maximum flexibility.

Easy set-up with snap-in components. No nuts, bolts, or clips required. Sturdy roll-formed steel framing provides maximum support. Front-to-back supports help prevent beams from rotating when fully loaded. Double Rivet button stud construction locks perimeter beams into corner post forming a structurally secure joint, eliminating back and side sway. Each starter unit includes rugged 2 ¼" x 1-1/2" 14 ga steel uprights that are punched on 1 ½" centers and double riveted horizontal beams that adjust vertically on 1 ½" increments. Chip resistant Gray baked enamel finish. Sturdy, smooth precut 5/8" thick particleboard provides a cost-effective solid decking.

* Particle board ships in two pieces
