Product Description

✓ Wire shelf with black epoxy coating over a rust-inhibiting undercoat
✓ Open design maximizes air & light circulation while minimizing dust buildup
✓ Can be extended with add-on units for additional storage space

This 24"W x 21"D Nexel® Black Epoxy Fixed Wall Mount Starter Kit is your solution to optimizing wall space in your facility. Constructed from high-quality steel, this durable wire shelf features a black epoxy coating over a rust-inhibiting undercoat for long-lasting use. Its

corrosion-resistant finish makes it ideal for use in wet or dry environments, while the open design maximizes air & light circulation and reduces dust accumulation. Best for use in offices, retail stores, warehouses, and food service locations, this starter kit includes one wire shelf with welded surface ribs for added strength and a pair of fixed wall mount brackets. Limited 7-Year Warranty.

- Frees up valuable floor space
- NSF-approved for wet or dry use
- Rust- and corrosion-resistant
