# Global Industrial™ Teardrop Pallet Rack Starter, 120"W x 24"D x 120"H, 5630 lbs Shelf Cap

★★★★★ (0)

Ships Same Day

## Product Description

✓ 14-gauge steel uprights, 15-gauge steel beams
✓ 27600 lb. total rated capacity, 5630 lb. shelf capacity
✓ Welded Uprights

Expand storage space and store more pallet loads with the Global Industrial™ Teardrop Pallet Rack Add-On. This industrial storage rack add-on is made of durable heavy-gauge

steel and includes two upright frames and two pairs of shelf beams. The heavy-duty, one-piece 14 gauge steel uprights feature a long-lasting epoxy finish and allow height adjustments at 2" increments for easy beam placement. High-strength 15-gauge steel beams have a 1-5/8" H step beam design that accommodates cross bars and decking, while the beams provide a secure connection to the upright frame using a positive 6-way locking action which automatically snaps into place and secures the beam. The gauge-welded base plate anchors upright to floor and distributes weight evenly for added stability. Easy assembly. 1-Year Limited Warranty.

**27600 lb rated capacity, higher than other pallet racking in the market. Capacity based on 36" beam shelf spacing.**

**Interchangeable with Teardrop styles of the following manufacturers:** Interlake, Kingway, Steel King, USP, Wireway/Husky, Unarco and Speed Rack.

Rack Disclaimer:

If seismic conditions apply, verification of capacities must be confirmed with a seismic engineer. Global Industrial™ is not responsible for engineering, installation and/or application of this material. Global Industrial™ is not responsible for permits. It is the full responsibility of the customer to check the contents and quantities. The (lbs) capacity rating (s) provided are for reference only. These ratings apply to static (non- seismic) conditions only.
