Product Description

Multi-purpose stack-only LEWISBins+™ Divider Box Containers can be divided into compartments on 1.25" centers with easy-to-add dividers. Manufactured in high-density polyethylene, these dividable containers are ideal for use in commercial, industrial, electronics and healthcare markets for storage, assembly, fabrication and distribution applications. Strong stacking ridge and innovative ribbed walls ensure high performance. Load capacity of 40 lbs. per container. Vertical dividers are available to maximize efficiency and [protect product from part migration. Fits up to 15 width dividers and 11 length dividers.

Dividers sold separately.
