Global Industrial™ 36" Round Outdoor Café Table, 29"H, Expanded Metal, Blue

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Strong, lightweight expanded metal mesh promotes airflow
✓ Blue thermoplastic coating resists corrosion, fading, & heat accumulation
✓ Includes stainless steel hardware and (11) acorn safety caps

DESIGNED FOR OUTDOORS:
Ideal for any outdoor setting, including restaurants, bars, patios, outdoor food courts, and

more. Smooth, glossy thermoplastic exterior coating on the tabletop is UV-resistant to protect from fading, is engineered to withstand summer heat & winter cold, and is thermal-stable to stay comfortable even in direct summer sun.

COMFORTABLE DINING:
This 36" round tabletop has a high 500-pound capacity when the weight is evenly distributed and can comfortably hold all the food & beverages users bring. Beveled edges ensure a safe & comfortable experience, while a center opening accepts umbrella poles up to 1-1/2" in diameter to provide shade.

RESISTANCE TO VANDALISM:
The open diamond pattern of the expanded metal makes an unappealing surface for graffiti and paint does not adhere well to the thermoplastic coating, making it easy to clean.

INDUSTRIAL STRENGTH:
The heavy-duty expanded metal mesh tabletop promotes airflow, prevents snow & dust accumulation, and limits standing water. The sturdy steel pedestal base is finished in a corrosion-resistant black powder coat. Stainless steel hardware won't rust or corrode over time and comes with plastic protective acorn nuts that prevent injuries from rubbing against exposed bolt ends.

- Limited 1-Year Warranty
