Global Industrial™ Premium Collapsible Bulk Container, 48"L x 40"W x 34"H, 2000 lb. Capacity

★★★★★ (0)

Available on or around 12/09/2026

Product Description

✓ Structural Foam Base and Wall Construction
✓ Supports Weight up to 2,000 lbs.
✓ Base Reinforced with 1 Steel Runner for Added Stacking Strength

This Global Industrial™ Premium Collapsible Bulk Container with two drop doors is your solution for delivering reliable performance and durability for rugged applications such as

automotive and heavy equipment assembly. Constructed from a base with a reinforced steel runner for added stacking strength, this unit has interlocking panels and access doors that form continuous reinforcing ribs to withstand outward pressure. This container has an impressive weight capacity of 2,000 lbs. and is ideal for use in the toughest material handling environments.

- Container dimensions: 48"L x 40"W x 34"H
- Does not have Hit Plates
