★★★★★ (7)

Ships within 1 Business Day

Product Description

✓ 3-point locking handle with integrated padlock hasp
✓ Includes 4 shelves with 1200 lb capacity per shelf
✓ Forklift-accessible legs for mobility

The full-height, 78" tall and 48" wide Global Industrial™ Heavy-Duty Storage Cabinet is manufactured from 12-gauge all-welded, high-strength steel for lasting durability and

structural support. Its two doors swing easily on 7-gauge leaf hinges that prevent twisting and sagging. A three-point cast steel locking handle with 3/8" diameter retention rods and an integrated padlock hasp offers maximum security for valuable equipment. This cabinet comes with four shelves that adjust at 2-1/2" intervals and boast a 1200-pound payload capacity per shelf to store heavy parts, components, tools, and equipment of different sizes. Two long, 6" tall box-style legs support the cabinet and are forklift-accessible for easy mobility. The legs have pre-drilled mounting holes to secure the cabinet to floors for improve security. A textured powder coat finish provides lasting protection from corrosion, flaking, and scratches. Dimensions: 48"W x 24"D x 78"H.
