Global Industrial™ Carton Flow Rack, 4 Levels, SpanTrack Wheel Bed, 96"W x 96"D x 96"H

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ Maximum flexibility left-to-right for re-slotting
✓ Shark fin infeed allows for easy replenishment
✓ Hex-hub wheel design for optimal flow

Increase the flow of your product orders and give your storage more flexibility with the 4-level Global Industrial™ Carton Flow Rack. This rack is fully customizable-if you need a different size, special configuration, or additional accessories we can provide that. You will

have the capability to store products of different sizes and weights. Each rack can be added to an existing pallet rack, and requires no shelves or intermediate support. Ideal for active warehouses and assembly plants, the carton flow rollers provide the most surface contact, eliminating hang-ups on the track and increasing throughput. 7-Year Limited Warranty.

Key Features:

- Drop-in design for easy installation
- Freezer/cooler rated to below zero
- Optimized for product stacking

If you have any additional questions about customizing your Carton Flow Rack, you can reach out to your account manager.
