★★★★★ (1)

Ships Same Day

Product Description

✓ 600 lb. weight capacity per arm
✓ Can be placed against walls or back-to-back with another compatible rack
✓ Includes (6) 12"L arms with a 2" lip to retain supplies

The Global Industrial™ Single-Sided Cantilever Rack Starter is your solution to neatly storing medium-sized loads of lumber, tubing, pipes, and other lengthy materials in dividable

stacks. Constructed from roll-formed solid steel, this durable rack features a single-sided design that allows back-to-back positioning with another compatible rack. This unit has a gray enamel finish and is equipped with two horizontal braces for added stability, two anchors for in-ground installation, and six straight arms with a 2" lip for retaining supplies. Limited 1-Year Warranty.

- Overall dimensions: 48"W x 33"D x 72"H
- Total rack capacity: 5,300 lbs.
