Product Description

✓ Closes the gap created when a set of lockers meet at a 90° angle
✓ Provides a seamless transition and cohesive look
✓ Durable steel construction with gray powder coat finish

Prevent dust buildup and items from falling into the corner gap with this 15" Global Industrial™ Corner Slope Top Kit. Constructed from durable steel with a gray powder coat finish, this kit creates a cohesive appearance by closing the gap created between two sets of lockers that are arranged at a 90° angle. This kit includes 2 side panels that mount easily to front slope tops (sold separately) with the included hardware and is ideal for use in

schools, locker rooms, and more. Limited 1-Year Warranty.

- Kit includes 2 side panels
- Compatible with Global Industrial™ Gray Steel Lockers
- Units can only be installed on lockers with front slope tops (sold separately)
