Product Description

Stanley® 66-168-A, 100 Plus® Standard Slotted Tip Screwdriver 3/8" x 8"

- Large, deep fluted acetate handle stands up to heavy-duty industrial use.
- Easy-to-clean handle.
- Flanges on the blade inside the handle provides a solid, twist-resistant blade.
- Bars are fully ground and polished, then chrome plated for corrosion resistance.
- Bars are made of alloy steel and heat-treated for strength and durability.
- Bolster reinforced construction.

- Hex bolster allows for use with a wrench for added torque.
- Slotted tips are cross ground for consistent fit.
