Global Industrial™ Infinity® 2-Tier 6 Door Locker, 36"W x 12"D x 78"H, Gray, Unassembled

★★★★★ (14)

Ships within 1 Business Day

Product Description

✓ Recessed, safe, catch-free surface
✓ Welded and reinforced door frame for security
✓ Includes single and double prong hooks

Give people a secure place to store items with the Global Industrial™ Infinity® Double 6-Tier Door Locker. The door handle with fingertip lift latch is recessed into the door face to

create a smooth catch-free surface, to discourage the padlock from being cut off and to provide a neat, clean look. The results are improved safety, security and appearance. These quality lockers feature 16-gauge steel doors, 5-knuckle security hinge and welded, reinforced frame-and-door assemblies. Extra wide louvers promote ventilation. Lockers must be anchored securely to floors. 1-wide and 3-wide lockers have 4 ft. plates included. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately. Legs add 6" to height. Includes blank number plates. Lockers have a secure 2-point positive locking system, stainless steel door latch and double and single-prong coat hooks
