Global Industrial™ Column Protector, 12" Opening, 42" Height, Yellow

★★★★★ (26)

Ships Same Day

Product Description

✓ 8,500 lb impact-capacity at 5mph
✓ Fits 12" diameter square or round columns
✓ Allows stacking for added protection

Protect columns from pallet jack & forklift damage in your facility with the high-visibility yellow Global Industrial™ Column Protector. It provides strong impact-resistance where vehicles transport materials of all sizes & kinds with a 12" x 12" center opening that fits

snugly on 12" diameter square or round columns. Each column protector is made of high-density polyethylene and are designed to absorb forklift and tow-motor impacts to minimize column and machinery damage and prevent personnel injury. Includes two black straps with hook & loop closures for easy, tool-free installation.
