Global Industrial™ Plastic Attached Lid Shipping & Storage Tote, 21-7/8"x15-1/4"x12-7/8", Gray

★★★★★ (250)

Ships Same Day

Product Description

✓ 1.7 ft^3 capacity, weighing up to 50 lbs
✓ FDA-approved high-grade/high-density polyethylene plastic
✓ Stackable when full & nestable empty to save space

The gray Global Industrial™ Plastic Shipping Storage Tote with Attached Lid is an ideal choice for the distribution industry. Manufactured from high-grade/high-density polyethylene

plastic, this storage container is made to ship, store, & distribute goods and products in trucks, trailers, containers, & more. The attached lids fold flat against the sides to enable empty containers to nest inside each other when not in use, helping to reduce return shipping costs and take up less space when not being used. Molded handles have an integral hasp to accept cable ties for security. FDA-approved.

- 50-pound weight capacity
- 18" x 12-3/16" x 11" interior measurements
- Raised-lip edges allow secure stacking
- Interlocking fingers on lid halves allow the bin to close securely
- Reinforced lid, interior sides, and base
- Stack up to 5 high with a 250-pound stacked weight capacity
