Product Description

✓ Poly-Green® epoxy coating over zinc-chromate electroplating with anti-microbial finish
✓ Adjustable shelf provides versatile storage for equipment & inventory

✓ Rolls smoothly throughout your facility on 4 polyurethane swivel casters

The 36"W x 18"D x 69"H Nexel® Poly-Green® Mobile Security Truck helps minimize the strain of moving heavy tools, equipment, and supplies throughout your facility. Designed for

versatility, it comes equipped with four polyurethane swivel casters, along with an adjustable wire shelf that adapts to changing storage needs. Constructed from high-quality steel with a green epoxy powder coat over zinc-chromate electroplating, this unit features NEXGard®, an antimicrobial agent that resists moisture, chemicals, bacteria, mold, and mildew. Its corrosion-resistant design suits wet or dry environments, while the open 2" grid mesh promotes visibility, reduces dust, and improves air and light flow. Ideal for industrial or commercial settings, this security cage assembles easily and includes lockable double doors, side and back panels, four posts, and shelf clips. Limited 15-Year Warranty.

- Lockable double doors open a full 270°
- Open design minimizes dust buildup & promotes air, light, and sprinkler penetration
- NSF-approved for wet or dry use
- Epoxy finish is rust- and corrosion-resistant
