Product Description

✓ Rounded, safety-edge maple Boos butcher block by John Boos & Co.
✓ High weight capacity to handle most projects and tasks
✓ Adjustable-height worktop with drawer.

Global Industrial™ workbenches are built to give you years of dependable performance, withstand years of heavy-duty use. A workman's dream bench. This solid, rugged top stands

up to constant, heavy pounding. **1-3/4" thick Maple butcher block bench top** provides quality that is functional and attractive. Solid grain hardwood is kiln dried, electronically cured and sealed. Finished with a penetrating mineral oil for a smooth and durable high quality appearance. **Adjustable Height Legs** feature removable duplex knockouts on front and rear for installation of either a hard wired electrical outlet or an optional plug-in outlet that easily screws into place with no wiring necessary. Legs and all steel parts are undercoated for rust resistance and finished with scratch resistant gray powder coat. Bench height adjusts at 1-1/2" increments. **Steel Drawer** features a safety stop to prevent accidental spilling. Drawer has 2 mounting angle brackets for easy work bench installation on either the left or right hand side. Recessed handle with padlockable hasp for added security (lock sold separately). Measures 18-1/4"W x 23-7/8"D x 5-3/8"H. **Back and End Stops** keep nuts, bolts, screws and other small parts and tools confined to the work surface, prevent them from rolling away. **Bench stringer** added stability, comes with mounting hardware to assemble legs to the bench top. Easy assembly.

Bench Includes:

- Lockable Drawer
- Back & End Stops
- Bench Stringer
