Global Industrial™ Mobile Production Workbench w/ ESD Square Edge Top, 48"W x 30"D, Tan

★★★★★ (0)

Ships within 1 Business Day

Product Description

The workbench is easy to transport wherever you need it. It is built to last using rugged 2" square x 14 ga tubular steel legs that are 36" in overall height. The 1-1/4" thick static dissipative ESD top comes with standard square edge. The workbench includes 15"D lower shelf with backstop for added storage space. This workbench moves easily on 5" phenolic swivel casters with brakes. It ensures quick and easy assembly. The workbench has a

powder coat finish.
