Product Description

Orbis Clear Flipak® Attached Lid Container, 26-9/10x17-1/10x12-3/5

These impact resistant clear polypropylene storage containers are designed to last and provide instant visual inventory. Great for use in distribution applications such as health and beauty aids, pharmaceuticals, grocery and general merchandise. Containers stack up to 5 units high on a 45" x 48" pallet. Interlocking, structurally reinforced lids are hinged for easy, secure closure. These attached lid containers nest when open and feature handgrips for easy portability. Recessed cover within the perimeter protects against cover breakage

during transport. Quick-release label areas for easy identification and fast label change. FDA approved.
