Product Description

Nexel® P86C Chrome Post 86"H Leveler Inserted

Build or add on to your shelving with additional posts that make for limitless configurations. Numbered marks make shelf leveling easy and fast at 1" increments. Includes factory installed floor leveler and plastic top cap. **Chrome** plated finish is attractive enough for retail display, but withstands warehouse conditions as well. **NSF** approved. **Limited one year warranty** in dry application and usage.
