★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ Includes a ready-to-use PFAS and microplastic filter, mounting kit, & hardware
✓ Vandal-resistant bubbler & activation button
✓ Simple push-button activation

Provide visitors with clean, odorless, and great-tasting water with the Global Industrial™ Outdoor Bi-Level Drinking Fountain with Filter. Made from durable Rotocast granite, this fountain is ideal for outdoor recreational areas, school campuses, office complexes, and golf

courses. Designed to withstand the blazing sun, wet weather, and general wear over time, the fountain is equipped with a vandal-resistant bubbler, a hood guard to prevent contamination and tampering, and is suitable for installation on new or existing concrete slabs capable of supporting 400 lbs. ADA compliant. Limited 1-Year Warranty.

- 3,600-gallon capacity PFAS and microplastic water filter to meet all your filtration requirements – total PFAS filtration (PFOA+PFOS, PFNA, PFHxS & PFHpA reduction) along with NSF/ANSI 42, 53, & 401 compliance
- No electrical power required
- Attractive granite finish complements outdoor environments
- Anti-theft screws secure the access compartments
- Rated for inlet water pressure of 20-105 PSI
