Product Description

Rugged plastic lockers withstand food service wash-downs and are ideal for damp conditions like pools or ice rinks because they cannot rust or corrode. Because they also operate quietly, they're ideal for schools. Includes louvers, double-walled doors and a number plate This tier model also includes a double coat hook and a flat top. Gray color. These stackable units can be mixed and matched to create your own configurations.

Lockers are priced and ordered per opening. Order 2 units to configure a two-tier locker. For sloped top 2 tier lockers, order 1 slope top and 1 flat top opening.
