Global Industrial™ Outdoor Wall Mount Bottle Filling Station w/Filter, Stainless Steel

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ Includes a ready-to-use PFAS and microplastic filter
✓ Corrosion-resistant 316 stainless steel provides protection against the elements
✓ Bypass cap for your choice of filtered or unfiltered operation

Keep your guests hydrated in outdoor spaces with this Global Industrial™ Outdoor Wall Mount Bottle Filling Station. Engineered for filtered or unfiltered operation, this bottle filler is the ideal solution for parks, outdoor complexes, campgrounds, and more. Its heavy-duty

construction and vandal-resistant bubbler protects the unit from the elements while guarding against tampering and theft. ADA compliant.

- 3,600-gallon capacity PFAS and microplastic water filter to meet all your filtration requirements – total PFAS filtration (PFOA+PFOS, PFNA, PFHxS & PFHpA reduction) along with NSF/ANSI 42, 53, & 401 compliance
- Laminar flow provides a clean fill with minimal splash
- Simple push-button activation
- Rated for an inlet water pressure of 20-105 PSI
- Available in 4 colors: stainless steel, green, blue, and black
- Anti-theft screws secure components together

Installation Requirement: Filtration system must be installed with a building PRV set to no higher than 80 PSI and an inline Global Industrial Water Pressure Regulator & Filter Protection Valve #270334
