Product Description

Ambi-dex® Industrial Grade Disposable Vinyl Glove, Powder Free - 5 Mil

Ideal for food handling & processing, pharmaceuticals, laboratories to avoid concerns regarding latex proteins.

Features:

- Great for tough jobs requiring disposable gloves with contrasting color to identify application

- Powder-Free for clean comfort and superior tactile sensitivity
- Ambidextrous for quick and easy donning
- Contains no natural rubber latex proteins
- Thickness: 5 Mil
- Complies with FDA food handling requirements 21 CFR, Part 177

Polymer: Vinyl
Vinyl adds economical liquid resistant protection with great wet and dry grip.

Powder Free
Manufactured using a chlorination process that creates a less tacky glove surface facilitating donning and leaving no residual traces on surfaces.
