Available on or around 12/05/2026

## Product Description

This Add-On Unit includes 2 T-posts to make expansion easy and join units with more stability and less construction than bolting 2 starter units together. Boltless design snaps together securely without tools or hardware. Open design allows access from all sides. Roll formed 14 gauge steel uprights ensure rigidity. Levels include rugged 5/8" thick particleboard decking and adjust at 1-1/2" increments without disassembly. Scratch resistant enamel finish.

Includes upright T-posts, horizontal beams and decking.
