Brady BMP21 Series Nylon Cloth Wire & Cable Labels, 3-4"W X 16'L, Black-White, M21-750-499

★★★★★ (0)

Ships Same Day

Product Description

The B-499 material has a protective polyamide coating and permanent acrylic adhesive to stay adhered to surfaces, even in autoclave, freezer, and liquid nitrogen environments. Nylon cloth tape is ideal for use in cable and wire labeling, general-purpose marking in labs, equipment panels, and faceplates. Low-profile tape adheres to surfaces that are smooth, rough, or powder coated, as well as to irregular surfaces or surfaces with low surface energy. RoHS compliant to 2005-618-EC MCV amendment to RoHS Directive 2002-95-EC; UL approved; CSA accepted. All-in-one cartridge includes ribbon and label supply. Matte white polyamide coated nylon cloth material has a permanent acrylic adhesive and is

thermal transfer printable.

Specifications

Weights & Dimensions

Length	16 ft
Width	4-5/16 in
Weight	0.2 lbs
Label/Tape Width	3/4 in

Product Details

Type	Thermal Transfer
Material	Nylon
Package Quantity	1
Description	Label
Color	White
Manufacturers Part Number	M21-750-499
For Use With	BMP®21 PLUS Portable Label Printer, IDPAL™ Handheld Label Maker
Brand	Brady
