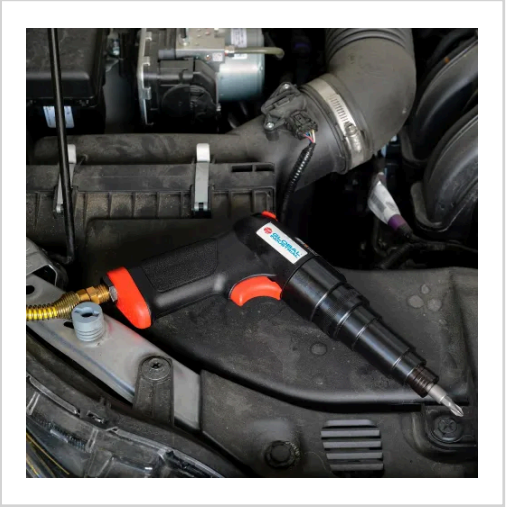
EXCLUSIVE BRANDS BESTSELLER

Global Industrial™ Air Impact Screwdriver, Clutch Drive, 1/4" Drive Size, 2100 RPM

★★★★★ (0)



Ships Same Day

Product Description

✓ Sturdy and powerful composite housing
✓ Adjustable clutch with thumb-engaged forward/reverse
✓ 2100 RPM free speed with variable-torque capability

The Global Industrial™ 1/4" Drive Air Impact Screwdriver provides the user with low vibration and high ergonomic comfort. Its spindle will not turn the motor until the operator

exerts forward pressure on spindle to engage the clutch. When the fastener you are working on is tight, the clutch will ratchet to prevent over-torquing and possible damage to the fastener.

- Offers consistent torque control with little operator reaction
