Product Description

CoreShield® 22-7513B/10XL Cut Resistant Gloves, Nitrile Micro-Foam, A2/B, Size 10

Thanks to its high-performance fiber, the Honeywell CoreShield™ range of 22 styles offers complete cut protection from level A/A1 to F/A9, in a choice of 4 various gauges (from 10gg to 18gg) and 3 different coatings.With CoreShield™, simplified hand protection is at your fingertips.

The color-coded marking system makes it easy for you to choose the gloves you need for

your application, according to the new EN 388:2016 European standard and ANSI-105-2016 American standard. Choose by level of cut protection, grip, dexterity and fit.

One of the lightest-weight cut-protec-tive gloves on the market, they help to prevent hand fatigue for workers who need to wear them all day long.Skin-friendly yarns that reduce the allergy risk to wearers. CoreShield™ gloves are certified STANDARD 100 by OEKO-TEX®.
