★★★★★ (7)

Ships Same Day

Product Description

STANDARD GRID BOXES / PLASTIC DIVIDABLE CONTAINERS
Multi-ribbed external sides provide high impact strength to these high-density polypropylene grid boxes manufactured of FDA approved materials. Standard plastic grid boxes are injection molded and resist most solvents and chemicals. Use these plastic dividable containers for storage or shipping, they stack securely with or without an optional lid. **Grid Container Dividers and Lids are sold separately.**

Sold in carton quantities.
