Product Description

Molded from clear polypropylene resin which permits visibility of contents. Two positive snap latches keep boxes securely closed and prevent parts from migrating between compartments. Patented positive stops allow cover to be opened wide or remain in the up right open position making it easy to read content labels. Heavy duty reinforced hinges. Cover overlaps sides to keep out dust and dirt. 3 fixed dividers and 20 adjustable dividers are included with each box allowing the creation of up to 24 compartments. Optional rack is

available with handle to store and carry up to 5 boxes. Sold in package quantity.
