Product Description

Modular Bulk Storage Rack
Starter Unit with Wood Decking - 3 Levels
Easy to expand and assemble. Boltless design snaps together securely without tools or hardware. Open design allows access from all sides. Roll formed 14 gauge steel uprights ensure rigidity. Levels include rugged 5/8" thick particleboard decking and adjust at 1-1/2" increments without disassembly. Scratch resistant enamel finish.

This **Starter Unit** includes 4 upright angle posts, 3 sets of horizontal beams and particleboard decking.

Add-On Units include 2 T-posts to make expansion easy and join units with more stability and less construction than bolting 2 starter units together.

Each level consists of (2) pieces of 36" x 36" decks to save on shipping costs.
