Global Industrial™ Capital® 1-Tier 3 Door Locker, 36"W x 18"D x 78"H, Tan, Assembled

★★★★½ (6)

In Stock, Ships in 3-4 days

Product Description

Our Capital® lockers provide performance and reliability . This 18" deep single tier locker includes a hat shelf, coat rod and double and single-prong coat hooks. Doors are styled with a catch-free recessed handle and padlockable friction hasp for quiet operation and ventilated with 2 sets of louvers. Reinforced, welded frame-and-door assemblies ensure maximum security. Durable powder coat finish resists wear and scratches for years of attractive service. Lockers feature finished sides; no need for decorative end panels. Lockers must be anchored securely to floors. 1-wide and 3-wide lockers have four foot

plates included. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately. Legs add 6" to height. **Includes blank number plates. Assembled lockers are not returnable.**

Optional locker accessories (Numbered Plates, Closed End Bases, Slope Top Kits and Locks) sold separately. Due to various layouts these locker accessories are not installed and ship in a separate box. Note: When installing optional Numbered Plates, removing the blank number plates is required.
