Global Industrial™ Telescoping Mobile Dolly for Standard Height Cabinets

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Adjustable base for various cabinet sizes
✓ 350 lb. weight capacity
✓ Durable steel construction

Move cabinets with ease using this Global Industrial™ Telescoping Mobile Dolly. Featuring sturdy steel construction for durability, this dolly has an adjustable base and can accommodate standard-duty cabinets of various widths & depths with upright corner braces

that stabilize the cabinet when in motion for safety but won't interfere with the use of drawers or doors. It comes with four solid casters: two fixed and two lockable swivel-type. This dolly is designed for temporary, permanent, or semi-permanent installation, depending on how often the cabinet needs to be moved. Limited 1-year warranty.

- Compatible with Global Industrial™ models: 237635GY, 237635BK, 237635TN, 361872GY, 361872BK
- Dimensions: 36-60"L x 18-24"W x 22"H
- Two-person lift required to load cabinet onto dolly
- Assembly required

Note: To avoid tipping, do not overload weight capacity
