Global Industrial™ Infinity® 2-Tier 2 Door Locker, 15"W x 18"D x 78"H, Gray, Assembled

★★★★★ (1)

Backordered, expected around 03/18/2027

Product Description

Infinity® Steel Lockers with catch-free recessed handle offer improved safety, security and appearance. Door handle with fingertip lift latch is recessed into the door face to create a smooth catch-free surface, to discourage the padlock from being cut off and to provide a neat, clean look. The results are improved safety, security and appearance. These quality lockers feature 16 gauge steel doors, 5-knuckle security hinge and welded, reinforced frame-and-door assemblies. Extra wide louvers promote ventilation. Legs add 6" to height.

Durable, attractive powder coat finish. Lockers feature finished sides; no need for decorative end panels. Lockers must be anchored securely to floors. 1-wide and 3-wide lockers have four foot plates included. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately. 1 Year Limited Warranty.

Lockers have secure 3-point positive locking system, stainless steel door latch and one double and two single-prong coat hooks. **Includes blank number plates. Assembled lockers are not returnable.**

Due to various layouts you may select, locker accessories ship in a separate box. Install Numbered Plate by simply removing the blank number plate.
