Product Description

✓ Rust resistant steel
✓ High weight capacity to handle most projects and tasks
✓ Adjustable-height C-channel legs

Each high quality, heavy-duty bench is built to give you years of dependable performance. Adjustable height legs feature removable duplex knockouts on front and rear for installation of either a hard wired electrical outlet or an optional plug-in outlet that easily screws into

place with no wiring necessary. All steel parts are specially treated to resist rust and finished with black powder coat. Built for rugged use, yet is still easy to keep clean. 1-5/8" thick high pressure plastic laminate-faced particle board core top gives you a smooth, rigid work surface that lasts and lasts. Bench stringer comes with mounting hardware to assemble legs to the bench top.

Leg height adjusts in 1-1/2" increments.
