## Product Description

Rugged plastic lockers withstand food service wash-downs and are ideal for damp conditions like pools or ice rinks because they cannot rust or corrode. Because they also operate quietly, they're ideal for schools. Includes louvers, double-walled doors and a number plate. This tier model has a flat top. These stackable units can be mixed and matched to create your own configurations.Gray color.

Lockers are priced and ordered per opening. Order 6 units to configure a 6-tier locker. For

sloped top 6 tier lockers, order 1 slope top and 5 flat top opening.
