Product Description

Rugged plastic lockers withstand food service wash-downs and are ideal for damp conditions like pools or ice rinks because they cannot rust or corrode. Because they also operate quietly, they're ideal for schools. These clear door lockers have super high quality polycarbonate unbreakable doors that permit inspection of contents with flashlight, yet offer privacy under normal lighting conditions. Includes louvers, double-walled doors and a number plate This tier model has a flat top. Gray color. These stackable units can be mixed and matched to create your own configurations.

Lockers are priced and ordered per opening. Order 6 tier lockers in multiples of 6. For sloped top 6 tier lockers, order 1 slope top and 5 flat top opening.
