★★★★½ (2)

Ships Same Day

Product Description

BUCKHORN? PLASTIC FOLDING BULK CONTAINERS
Style C ? 2,000 Lb. Capacity
Industrial grade polymer structural foam plastic shipping container resists oils, chemicals and moisture. Smooth interior surface is easy-to-clean. High walls offer maximum strength in shipping and storage of large or awkward products. Durable one-piece design for high strength and greater capacity. 2 hopper gates with drop-down doors are included on the long sides of this storage container for easy access, even when stacked. Snap lock latches secure panels and doors for quick folding and setup. Includes plastic runner channels and 1

steel runner on center of bottom reinforcement to increase load capacity. Allows 4-way forklift access.
