Hardwood Deck Overlay for Wire Shelving, 36"W x 14"D x 1"H

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Durable 1" thick hardwood construction for added strength & stability
✓ Smooth, uniform top surface for a clean, consistent appearance
✓ Designed to securely fit over your existing wire shelf deck

The 36"W x 14"D Global Industrial™ Hardwood Deck Overlay is a simple, cost-effective way to enhance the appearance and functionality of your existing wire shelving. Built for durability, this deck overlay is made from premium rubberwood with a strategic finger-jointed construction for enhanced strength and stability. It provides a solid, stable surface that helps

prevent smaller items from falling through gaps while creating a clean, organized presentation. Designed with radial-cut corners for an effortless, secure fit, this versatile deck overlay is compatible with any wire shelf finish, making it ideal for use in any retail or commercial environment.
