Global Industrial™ Semi-Automatic Stretch Wrap Machine, 112" Wrap Height

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ 112" wrap height
✓ Wraps approximately 25 loads per hour
✓ Includes auto detect pallet height and emergency shut off function for safety

Increase productivity and eliminate worker strain with the Global Industrial™ Semi-Automatic Stretch Wrap Machine. If you're wrapping five loads or more per day, by hand,

you're in the market for our semi-automatic stretch wrapper. Designed to reduce the labor required per load, prevent shipping damage, and eliminate improper stretch wrapping, the machine's heavy-duty industrial design is built for long-lasting service. Use with 20" wide machine length stretch wrap. Optional ramps sold separately. ETL/cETL Certified. 1-Year Limited Warranty.

- Photo-eye allows operators to walk away
- Front and rear forklift access
- 110-volt, 9.1 amp.
- 13 RPM variable speed turntable
- 250% stretch rate

For use with clear/translucent wrap only. Will not work with black film.
