Global Industrial™ Portable Dehumidifier, Energy Star, 32 Pint

★★★★★ (0)

Ships within 1 Business Day

Product Description

Standout Features:

✓ ENERGY STAR certified.
✓ Automatic shut-off feature prevents condensate overflow and spillage caused by constant unit operation.
✓ Four integrated wheel casters provide quick mobile transportation if needed.

Whether it's moist, clammy, or muggy, the Global Industrial™ Portable Dehumidifier is ready to clear the air. This automatic defrost-enabled dehumidifier is made to remove up to 32 pints of moisture from the air per day. Use this unit in commercial and industrial spaces with increased humidity levels. The air outlets are designed for vertical positioning, permitting ideal airflow direction. A digital touchpad at the top panel features easily programmable modes such as a timer, fan speed adjustment, and more. Air filter is washable for simple upkeep. No pump included. UL and cUL listed.

- Electronic keypad interface and LED display provide easy control and monitoring.
- Lights above icon symbols easily indicate which mode is currently active.
- Min Temp: 41°F.
- Max Temp: 89°F.
- Included SJT type plug.
- Keypad controls are: Filter Reset, Fan Speed Change, Increase Button, Pump Button, Decrease Button, Timer Button, and On/Off Button.
