Ships within 1 Business Day

Product Description

✓ 44-gallon capacity
✓ Adjustable shelving
✓ Built-in recessed handle and cylinder lock

The Global Industrial™ Flammable Cabinet with manual close doors is a secure solution for flammable storage management at facilities, businesses, and other commercial

establishments. Constructed from heavy-duty steel, this cabinet securely stores up to 44-gallons of sensitive items and similar supplies in need of flame protection. The unit is a standalone, double-door cabinet, making it perfect for any hallway, warehouse room, or other interior space. No assembly required. Limited 1-Year Warranty.

FM-approved

- Bright yellow finish with highly visible warning label
- Cabinet doors will only latch when they are manually closed
- Some states and municipalities may require self-closing doors on flammable safety cabinets; please review your local ordinances prior to purchasing
