Product Description

This electric tape dispenser dispenses 1/2" to 3" wide reinforced or paper tape and holds up to 1000'L rolls for reduced downtime. Adjustable top heater and advanced brush wetting system ensure adhesion. Color coded programmable keys set tape lengths up to 120"L at -1/2" increments. Random length key allows tape to be dispensed at any length. Heavy duty self oiling blades for consistent cutting. It includes an RS232 port for PCs or printers and an automatic tape feed option. The dispenser meets FCC, UL, CE and CSA requirements. This product has a 2-year limited warranty.
