Product Description

Engineered for years of heavy-duty service. These lockers feature 16 gauge steel doors, 5-knuckle security hinge and welded, reinforced frame-and-door assemblies for maximum security. This 18" deep single tier locker has a secure 3-point positive locking system, hat shelf, chrome door latch, double and single-prong coat hooks and a coat rod. Generously sized louvers promote ventilation. Legs add 6" to height. Durable, attractive powder coat finish. Includes blank number plates. Lockers feature finished sides; no need for decorative

end panels. Lockers must be anchored securely to floors. 1-wide and 3-wide lockers have four foot plates included. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately.
