Product Description

✓ Easily assembled
✓ Adjustable shelf
✓ thick wire mesh with epoxy finish is corrosion-resistant and long-lasting

Out of mind, but in plain sight-that's what you get with the Global Industrial™ Wire Mesh Security Cage Locker. This ventilated wide span bulk storage locker is made with a thick wire mesh with gray epoxy finish to minimize dust accumulation and maximize visibility for simple inventory control. The lockers include one height-adjustable shelf with 100-pound

weight capacity when evenly distributed. The shelf adjusts in 3" increments and the improved latch design will accept a padlock. For enhanced security, users can install a shelf at the center position to allow use of included padlock. Double doors are welded to side panels and are flush against unit top, while the door hinges swing open 270° for full access to the locker's interior. Easy assembly. Additional shelves sold separately. 1-Year Limited Warranty.
